90mm	1200mm	900mm	300mm	3.2mm
101mm	1200mm	900mm	300mm	3.6mm
115mm	1200mm	900mm	300mm	3.2mm
140mm	1200mm	900mm	300mm	3.2mm
170mm	1500mm	1100mm	400mm	5mm
195mm	1800mm	1300mm	500mm	5mm
245mm	1800mm	1300mm	500mm	8mm

A range of economical and functional bollards suitable for a wide range of applications. Available in just galvanised, primed only or galvanised and painted.

Once finished they can have contrasting retro-reflective strips applied for extra visibility, whilst the top caps can be either “flush” welded or supplied ‘loose’ allowing for concrete filling on site.
