

PRODUCT DATA SHEET

STAINLES STEEL STATIC BOLLARDS

Stainless steel bollards offer a 'clean' and modern aesthetic appearance which complement most building facades or locations, offering low maintenance and strength all in one.

The standard finish is a 'brushed satin' (400g) grit with a highly polished mirror finish also available to order.

Standard material is grade 304 with grade 316 available for 'harsher' marine type environments.

Bollard top cap options include:-

Flat top

Slight domed curved top cap

High domed curved top

30, 45, 60 degree 'cut off' top cap

Recess in Bollard with reflective tape
shot 'peened' version with matt finish
